LETTER OF APPRECIATION

Dear Contributors,

My name is Limusishiden. I am an osteopathic surgeon in Qinghai University Attached Hospital, Xining City, Qinghai Province, China. My wife, Jugui, and I distributed the clothes you contributed in Tughuan Village, Danma Town, Huzhu Mongghul (Tu) Autonomous County, Haidong Region, Qinghai Province on 6 August 2011. We chose disabled people, invalids, and young couples who support two students studying in schools (who face financial pressure in meeting educational expenses).

The clothes were of excellent quality and helped local people because they will not have to spend money to buy clothes and because the clothes will last a long while.

Jugui and I, on behalf of all who received the clothes you sent, offer you our sincere thanks.

Sincerely,

Limusishiden and Jugui
